
Getting About

November 2007

The Problems

T - Dominance of motorised vehicles on village roads

v -Increasing volumes of traffic

v -Limited availability of parking

- **The Group's Approach**

Recommendations

- Exploring the feasibility of the Shared Space concept in the village

Recommendations

- Utilising more fully current parking facilities

Recommendations

- Investigating possible off-road parking sites

Recommendations

- Increasing the attraction of alternatives to the private car
 - Some suggestions \Rightarrow

Public Transport

Buses with space for pushchairs/shopping trolleys

Better group/family discounts on buses/trains

Cycling

Install covered cycle parking at school and station

Offer free advice on cycle maintenance at events like the Village Fete

Investigate the possibility of collaborating with Hinton Charterhouse and Midford on safe cycle links across the A36

Walking

Continue the 'Walk to School' days

Increase pedestrian and cycle presence on
the roads of Freshford
